Program Announcement

At Western Sky Community Care we understand that the provider-member relationship is a key component in ensuring superior healthcare and the satisfaction of our members. Because Western Sky Community Care recognizes these important partnerships, we have developed the 2022 OB/GYN Incentive Program to reward eligible OB/GYN practitioners for providing specific services listed in the table below.

- OB/GYN providers must submit a claim/encounter containing the requisite diagnosis and/or procedure codes to receive the bonus payment for eligible members
- Services must be rendered to eligible members between Jan. 1, 2022-Dec. 31, 2022
- All claims/encounters must be submitted by Jan. 31, 2023, to be used in calculating the final payment
- Quarterly payments begin after the second quarter of 2022 is completed and processed and will continue throughout 2022.
- Western Sky Community Care may request medical records if unable to verify care using claim/encounter data. Measures and Bonus Amounts

MEASURE	AMOUNT	MEASURE	AMOUNT
Postpartum Visit	\$150	Chlamydia Testing (Ages 16-20)	\$25
Prenatal Visit	\$150	Chlamydia Testing (Ages 21-24)	\$25
Notification of Pregnancy 1st Trimester	\$150	Cervical Cancer Screen	\$25

Instructions

1. Schedule and conduct an exam with the member by Dec. 31, 2022, to address the program measure(s).
2. Upon completion of the examination, document care and diagnosis in the patient's medical record and submit the claim/encounter containing all relevant ICD 10, CPT and/or CPT II codes.

Additional Conditions

To be eligible to receive a bonus payment under this Program, OB/GYN Providers must meet the following requirements and/or conditions:

1. All Providers must: (a) be in a participation Agreement with Western Sky Community Care, either directly or indirectly through a Vendor, from the Effective Date and continually through the dates the bonus payments are made, and (b) be in compliance with their participation Agreement including the timely completion of required training or education as requested or required by Western Sky Community Care.
2. Bonus payments are paid to the Eligible Member's OB/GYN Provider of record at the end of the applicable measurement periods as defined by the HEDIS® specifications.
3. Any bonus payments earned through this Program will be in addition to the compensation arrangement set forth in your participation Agreement, as well as any other Western Sky Community Care incentive program in which you may participate. At Western Sky Community Care's discretion, Providers who have a contractual or other quality incentive arrangement with Western Sky Community Care either directly or through an IPA/ Vendor may be excluded from participation in this Program.
4. The terms and conditions of the participation Agreement, except for appeal and dispute rights and processes, are incorporated into this Program, including without limitation, all audit rights of Western Sky Community Care, and the Provider agrees that Western Sky Community Care or any state or federal agency may audit his/her/its records and information.
5. The Program is discretionary and subject to modification due to changes in government healthcare program requirements, or otherwise. Western Sky Community Care will determine if the requirements are satisfied and payments will be made solely at Western Sky Community Care's discretion. There is no right to appeal any decision made in connection with the Program. If the Program is revised, Western Sky Community Care will send a notice to Provider by email or other means of notice permitted under the participation Agreement.
6. Western Sky Community Care reserves the right to withhold the payment of any bonus that may have otherwise been paid to a Provider to the extent that such Provider has received or retained an overpayment (any money to which the Provider is not entitled, including, but not limited to, Fraud, Waste or Abuse) from Western Sky Community Care, or Western Sky Community Care's Eligible Member. In the event Western Sky Community Care determines a Provider has been overpaid, Western Sky Community Care may offset any bonus payment that may have otherwise been paid to the Provider against overpayment.
7. Only one bonus payment will be made for a specific HEDIS® member-measure combination. HEDIS® is a registered trademark of the National Committee for Quality Assurance (NCQA).
8. Western Sky Community Care shall make no specific payment, directly or indirectly under a provider incentive program, to a Provider as an inducement to reduce or limit medically necessary services to an enrollee, and this Program does not contain provisions that provide incentives, monetary or otherwise, for withholding medically necessary care. All services should be rendered in accordance with professional medical standards.
