## **WELCOME TO WESTERN SKY COMMUNITY CARE**

We would like to welcome you to Western Sky Community Care.

Western Sky Community Care provides health care services for the New Mexico Medicaid program, Centennial Care 2.0. We provide physical health services, behavioral health services, long-term services and supports (LTSS) that are convenient and accessible. Our main priority is making sure you receive high-quality health care coverage.

**This is your provider directory.** Below we tell you how to use the directory. Let us know if you need help understanding this.

If you need them, interpreter services are provided at no charge to you, including sign language and real-time oral interpretation. To get an interpreter, call Member Services at 1-844-543-8996 (TDD/TTY 711).

We are adding new providers every day. If your doctor is not listed or their information does not look complete, please check online for new updates at <https://providersearch.westernskycommunitycare.com> or call Member Services at 1-844-543-8996 (TDD/TTY 711).

## **EASY TO USE**

Getting benefits from Western Sky Community Care is easy. We believe the best way for you to keep good health is to develop a good relationship with your family physician. That is why you, and any of your family who are members of Western Sky Community Care, need to choose a Primary Care Provider (PCP) or a Clinic that has multiple PCPs.

When you need care, start with a call to your PCP for an appointment. Tell them you are covered by Western Sky Community Care. If needed, your PCP will make a referral for specialized care. It's that simple.

## **ACCESSIBILITY**

If you use a wheelchair, walker, or other aids and need assistance getting into your provider's office, call their office before you get there. This way someone will be ready to help you when you get there. If you would like help talking with your provider about your special needs, call Member Services at 1-844-543-8996 (TDD/TTY 711).

## **TAKING CARE OF YOU AND YOUR FAMILY**

We encourage you to make appointments for regular check-ups. Benefits with Western Sky Community Care include. :

- Screenings
- Diagnostic x-rays

## **IF YOU HAVE TO BE HOSPITALIZED**

## **IMMEDIATE AND EMERGENCY CARE**

With Western Sky Community Care, you have access to medical services 24 hours a day, 365 days a year. If you have a serious illness or injury that needs immediate attention, first call your PCP. They know your medical history best.

**In the event of a potentially life threatening emergency**, call 911. Or go to the nearest emergency room. If you are admitted to the hospital, they will call Western Sky Community Care within 48 hours to notify us of your medical situation. Or you can have someone else call for you.
